

5.3: Student Access Metrics

5.3.1: Access Monitoring Measurements

5.3.1.1: Systematic measurement and monitoring of the female application rate and acceptance or admission rate.

Yes / No

Evidence - FILE TO BE UPLOADED

Enter Evidence Information Textually:

Different and multi-dimensional systems have been developed for the systematic measurement and monitoring of the female application rate and the acceptance or admission rate. Within the scope of Ege University Information Systems, available at <https://bidb.ege.edu.tr/files/bidb/bilsis>

1- The website Kimlik.ege.edu.tr: It is a web system where all students of Ege University are registered.

2- The OBYS screen in the Student Information System

3- Real-time student numbers are available at <https://sayilarla.ege.edu.tr/>

Additionally,

YKS registration
